Of Whom The World Was Not Worthy

Dear Friends and Family,

Hebrews 11 is the great chapter in the Bible on the hall of fame of faith, speaking of those that went before us as examples and pioneers that paved the way for us. In verse 38 it says of them, *"of whom the world was not worthy."*

As I happened to be going through one of my old boxes of stuff in my office, I found some pictures that really touched my heart the other day. They were pictures of some of the men and women of God that mentored me, pastored me, taught me, and help and loved me for more than 35 years. I was so overwhelmed by these pictures that I didn't know I had, that the Lord spoke to me this word. It came rushing again to my heart considering these precious men and women of God, *"of whom the world was not worthy."* I realized that they were the ones that had shaped my walk with God, laid the importance of the foundation in the Word of God, being a true worshipper, knowing the Lord Jesus intimately, and the principle of discipleship; really all that Narrow Way Ministries stands for today all over the world.

I was overcome with gratefulness and thanks for how they had lived their lives before me and helped me in my early walk. Then later as I went into the ministry, they contin-

ued to put up with me and my insistent questions and problems I encountered as I grew up in the Lord and shaped the way I approached the ministry, what I believed, etc. Only three remain in my life today, Dan Duke, Mark Hanby, and Bishop Thomas Weeks. Most of them are now gone on to be with the Lord, but all their voices still speak through me and through my sons and daughters all over the world. What an inheritance Narrow Way Ministries is privileged to have!

Maybe no one else would say this but to me anyway, the world was not worthy for them to be there for me so many, many years. They are and were always examples of faithfulness, love, truth, grace, and abundant mercy. They seemed to always have the Word of the Lord for me, which in turn gave me the Word of the Lord for all that listened to me.

As I thought about it, Uncle Arthur Burt's life dates back to 1901 and the early Pentecostal Revival. He also lived with Smith Wigglesworth. Prophet Chuck Flynn dates back to the Healing Revivals of the 1940s and 1950s. He was dear friends with Gordon Lindsay who started Voice of Healing Magazine and built Christ For The Nations Institute, as well as helped organize and oversee the great healing minister

Mark Hanby predates the Charismatic Movement and had the first mega church in America. He was the first also to begin teaching on Kingdom principles and deeper truth. His ministry dates back to the 1960s until the present day.

June Lewis, Dan Duke, Eva Evans, Derek Kuhn, and the move of God at Beaches Chapel (Jacksonville Beach, FL) all were involved in the Charismatic Movement from 1970 unto now for some of them. Doug Westmoreland was the one teacher who instilled in me the need for foundational teaching and discipleship. At Beaches Chapel only in the 1980s and 1990s did I learn about worshipping the Lord Jesus in an intimate way and the need to be free in your worship and to despise religion.

Derek Kuhn and Dan Duke in 2005 when they laid hands on Brother Sam ordaining him as an Apostle during the glory conference

Sister June Lewis showed me the way to revelation of the Word and how, by the gift of God, to bring out marvelous truths in the Scripture. She was also one who was a real intercessor and I used to delight in praying with her, to see how high we could fly into the Spirit realms and see real answers to our prayers. She was my mother in the Lord and taught me many things.

Then as the 1990s come and went, I was introduced to the teaching and miracle ministry of Dr. Eva Evans. She founded 50 accredited Bible colleges in the USA. She brought me an emphasis on healing and miracles

and establishing Bible Schools. Then came the 2000s and I was introduced to the ministry of Derek Kuhn and was involved in the Messianic Movement (not to the point of error) and deeper worship and helped bring me into a better understanding of all that.

And throughout my life, Dan Duke has been my pastor for over 45 years—always there, always faithful to point the way to Jesus and always led by example. He has been the most impactful and the most Word/Worship/Prayer oriented man I have even known. He is the one who has shown me the way and place in me the desire to go to the nations and establish churches and Bible schools.

And finally over the last few years, Jesus has added Bishop Thomas Weeks of New Life Destiny Fellowship into my life that has brought timely counseling and covering to Narrow Way Ministries as we continue to move forward and make disciples of the nations.

All of these men and women were precious, Godly, faithful to Jesus

and His people. They lived holy lives and were tremendous examples to me and thousands of others. They left the world in a better place than when they found it and were faithful to God and the ministry He called them to. They were not perfect by any means and I never worshipped them. But I saw

them as real people, true saints who tried to do the will and Word of God in their lifetime.

But as the rest of Hebrews 11 declares, they were not

made perfect that we might also have a chance. They all obtained a good report through faith. The world was not worthy of them and their ministries. I certainly didn't deserve all this that was freely given to me by the sacrifice of these

precious people. I owe them everything. Narrow Way Ministries owes them everything.

Beloved, this is the inheritance of Narrow Way and all the sons and daughters of this ministry. May you take what was given me and carry it all over the world, shining with the glory of God, holding forth the Word of life, glorifying Jesus, making disciples and passing on this glorious inheritance wherever you go!

JESUS IS PRECIOUS!

Reports from Bolivia

This past month, Brother Sam and Sister Katie traveled to Bolivia to minister and spend time with our churches and Bible Schools down there. Jesus really moved mightily during this time. Here are reports from Pastor Rodrigo in Cochabamba and Pastor Pablo in La Paz:

Cochabamba, Bolivia:

Brother Sam's visit to Cochabamba was a wonderful time, worshipping the King of kings and exalting the name of Jesus. It was a time where we received words of knowledge, physical and emotional healing. But it was also a time to lay our lives down in sacrifice for others, to love the nations as Jesus loves them.

The Lord used Brother Sam's life to bring a living and fresh word in one of the meetings where he shared on "I will heal the broken pieces of your heart."

Jesus is concerned about all the fragments that are not being used in your life. He will take the broken relationships in your history and heal them up. If necessary, He will pick up every piece, because nothing is lost in His hands.

There are so many people with broken hearts in the world! These people need to know this Jesus full of grace who nurtures and heals.

Many people eat in excess just to fill up the voids and satisfy things that are broken up in their lives. These are people who are being afflicted because those fragments are evident in their own bodies. It will not be until God places His finger upon that hidden broken piece that you will be able to pick them all up and feed others. What a message it was!!!

And many people were encouraged and restored! Brother Sam prayed for the healing of the broken pieces of our hearts and the prophetic word flowed in a certain and wonderful way, giving direction, provision, comfort and precious promises.

He also taught us on having compassion, which is different than feeling sorry for somebody. It is actually a deep longing to help somebody out. Jesus had compassion of the people who were alone, tormented, sick, fatigued (Mark 6:34 and Matthew 9:35-38). Only those who know Jesus and has gone through pain can feel a real compassion.

Thus, the Lord brought in one of the meetings healing, true deliverance, comfort, restoration and the

baptism in the Holy Spirit, with the evidence of speaking in tongues, to a people who had been crying out for a long time for this visitation. Despite Brother Sam was struggling with his health, getting to bleed from his legs at one of the meetings, he did not stop until the Lord would do whatever He had to do in Cochabamba! Thank you Jesus for the precious and fruitful life of our Brother Sam and his wife Katie, and out pastors Pablo and Pamela Mollinedo. We bless their lives and their generations!

- Pastor Rodrigo Cuéllar Arteaga

La Paz, Bolivia:

What a glorious time we had at Narrow Way Ministries, La Paz-Bolivia with Papa Sam and Katie this past November! The word he brought on Fathers and Sons was a spectacular revelation. And what a timely word it was for us all here in Bolivia.

When you think about it, how many people truly have a father-son relationship with a father ministry? It is truly a privilege in these days to be able to call somebody a father in the Lord and actually HAVE a relationship with that man or woman of God! Oh, how privileged we are at Narrow Way Ministries all over the world, because

Excellent Things

God has truly given us all a wonderful gift in Papa Sam and his life! He is definitely a father in the Lord to us, not only as the Apostle over Narrow Way Ministries, but as a loving, tender and caring father; so much so that he didn't hesitate to keep going with ministry although he was bleeding from his legs at a meeting in Cochabamba. The very next morning, he was up and ready to go and finish the job...that is how much he loves the people of God!

Many people can call someone "My father, my father...", but it tru-

ly all lies in the genuine relationship you have with that man or woman of God, AND the honor you give unto them, for "If I be a father, where is mine honor?"

In these days of a rebellious generation of children, who do not honor the man of God and do not want a true transparent and sincere relationship with them, and a generation of so-called "fathers in the Lord" who sell their fatherhood for a couple of thousand dollars a year, we need to stop and consider if we are truly being "begotten in Christ Jesus through the Gospel." Are you a son, or are you a bastard? This is the Word of God for all of us today! I hope the Lord can find more sons than bastards, just as He can continue to use true father-ministries to turn the hearts of "the disobedient to the wisdom of the just."

Brother Sam Greene is certainly, without a shadow of a doubt, a

true father in the Lord to this untoward generation...what a privilege it is for us to be able to say, "My father, my father, the chariot of Israel, and the horsemen thereof!" and know we really mean it. Thank you Jesus!

Can hardly wait for Papa Sam's visit back to Bolivia on March, God willing, to inaugurate the new building here at Narrow Way Ministries, La Paz-Bolivia.

-Pastor Pablo Mollinedo Cardona

Thank you!

Wow, what a year 2018 has been with all of its ups and downs. But through it all, Jesus has been faithful in everything. What a tremendous Savior we serve! And you, dear disciples, family, friends and supporters of this ministry, have helped in more ways than we could have imagined. We could not have done all that the Lord had us do this year if it wasn't for your faithfulness to stand with us both financially and through prayers. We are deeply grateful for your sacrifice that never goes unnoticed to our heavenly Father, "for with such sacrifices, God is well pleased." (Hebrews 13:16). Our prayer in this coming New Year is that Jesus will reward you opening and abundantly for all you done in secret to help the work here at Narrow Way Ministries International and the Kingdom of God. From our family to yours, have a very Merry Christmas - Jesus is the reason for the season!!!

As always, here again is our contact information and the 3 different ways to give. Please stay in touch and let us know if there is anything we can do for you. If you ever desire for Brother Sam to come and visit your area, let us know as well. Receive all our love from Asheville, NC:
